1. All prices quoted are exclusive of GST. 2. Early Termination Fee: If you choose to cancel your service or it is disconnected for any reason within the contract term you will be charged an Early Termination Fee comprised of your minimum monthly commitment multiplied by the months remaining in your contract. You must provide 30 days' notice to us to disconnect a service. 3. Service only available in areas services by FTTP, FTTC and FTTN. 4. Unlimited usage will not attract any excess fees. 5. Static IP address provided. 6. Network uptime guarantee of 99.7%. Rebate calculated as 1 day of service access fee credited for each hour of network downtime over and above the guaranteed level. Network downtime does not include faults in the underlying service from the exchange to the customer premises or any faults in the customers own network. Rebate must be claimed using our Standard Rebate Application Form within 3 months. Rebate will be applied as a credit against your bill. Maximum rebate available is the minimum monthly charge for the service. 7. Acceptable Usage Policy applies. 8. Customer address must be pre-qualified before a formal quote can be provided. 9. The New Development Charge (NDC) which is a one-time charge of \$270ex GST will apply to all new orders for NBN in new development locations and applies to the first connection at a premise in a newly developed area (e.g. new housing estate/suburb or sub-division of existing property) with no pre-existing telecommunications infrastructure. 10. A Subsequent installation charge of \$270ex GST will apply to connections where NBN co are required to activate a copper pair to complete the installation. 11. Full Terms and Condition as per Application Form
